## Registration

### **Registration Entry and Closing:**

- Trial entry will open on Wednesday, January 31, 2018 at 12:00 PM Eastern Standard Time. Entries will be awarded by random draw of all entries received between 12:00 PM January 31, 2018 and 12:00 PM February 2, 2018 Eastern Standard Time
- Trial entry will close when entries fill after the draw period or 12:00 PM Eastern Daylight Time March 14, 2018.
- NACSW reserves the right to cancel a trial if minimum entry numbers are not met
- The trial host of an event has the right to refuse entry of any competitor or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.
- **Note:** We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 48 hours to complete your payment to confirm your space in the trial.

### **Registration Method:**

All registration will be on-line via the link provided to the NACSW™ trial registration form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive an auto-response email confirming that we received your trial entry after registration - this email does not confirm your space in the trial. There will be a separate confirmation from [dogevent@comcast.net](mailto:dogevent@comcast.net) or [judymcp@outlook.com](mailto:judymcp@outlook.com), to let you know if your entry has been given a space in the trial.

### **Entry Method:**

Trial spaces will be awarded in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries (see below) received between 12:00 PM Eastern Standard Time January 31, 2018 and 12:00 PM Eastern Standard Time February 2, 2018.
- In the event that you are having technical difficulties with the entry system, please email [trialEntry@nacswnet](mailto:trialEntry@nacswnet) prior to the end of the draw period.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary

Draw of any entries received that did not meet the ORT or title requirements. These entries will be accepted pending completion of the requirements. **Please note:** Dogs must earn the appropriate ORT and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT is earned less than 14 days prior to the event, it is the competitor's responsibility to provide proof of the ORT or title to the event host in the form of a score book or a photo of the official results.

**Note: If you are entered in another trial before this one and earn the title for the level you are entering (NW1, NW2, NW3 Elite) at this trial, you will forfeit your space in this trial. You may request that the host add you to the list of those wishing to run their dog For Exhibition Only (FEO), in which case you may be given a space in the trial if space remains after all Qualified Entries are accommodated. If you earn the title level after the refund period has ended then you must contact the trial host at: ([dogevent@comcast.net](mailto:dogevent@comcast.net) or [judymcp@outlook.com](mailto:judymcp@outlook.com)) within 48 hours of earning your title and at least 72 hours before the trial you are registered for to let them know you are no longer eligible. If you contact the host within 48 hours of titling and at least 72 hours before their trial and (1) they are unable to fill your space then you won't be given a refund but will be allowed to keep your space in the trial and run your dog FEO or (2) they are able to fill your space then a refund will be issued minus the processing fee listed in the cancellation policy. If you fail to contact the host within 48 hours of earning your title and at least 72 hours before the trial you are registered for then you will forfeit your space, you will not be allowed to run as FEO, and no refund will be issued.**

- After all entries received during the draw period are processed, if the trial level is still not full, entries will continue to be accepted in the order they are received through the closing date or when entries fill.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. In the event that multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full. No dog will be given a space in more than one day of any given trial weekend.
- Some trial entries may be given priority entry based on contributions to the organization and the trial process.
- If space remains after all qualified entries are accommodated on February 23, 2018 then we may accept entries for those who wish to run a dog For Exhibition Only (FEO). Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results.

You will be notified via e-mail of the results of the random draw **by** 5:00PM Eastern Standard Time February 13, 2018. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 48 hours to complete your payment to confirm your space in the trial.

A waiting list for alternates will be started as soon as entries fill.

Alternates will be contacted when a space opens up. **Note:** Depending on last minute trial logistics, we may opt to not fill all canceled spaces.

**Trial Conditions:**

Modeled after real-life detection work, K9 Nose Work® trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. The trial will take place at a Boy Scout camp with gravel as well as uneven grassy surfaces and wooded areas. Handlers should be prepared to deal with a variety of weather conditions, including heat, wind and heavy rain. Trials require covering extensive distances to get to and from the parking area to each of the search areas and require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly.

Participants should expect to spend most of the day outside or in their vehicles as there are no indoor crating options at these trials. Parking lot is gravel surface with very limited shade. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges.

There will be limited parking for RVs in the competitor parking lot due to the size of the parking lot. Access to RVs may be restricted during the trial in order to protect the integrity of search areas.

Although the trial site is a developed scout camp, please be aware that alligators and other predators inhabit this part of Central Florida. Safety first. Please stay away from bodies of water and do not feed the wildlife.

Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this trial at their own risk.

**Liability:**

By registering for the trial, the competitor hereby assumes all risks of, and responsibility for, accidents and/or damage to her/himself or to her/his property or to others, resulting from the actions of her/his dog. The competitor expressly agree that the NACSW™, Obedience Training Club of Palm Beach County and its assignees or any other person, or persons, of said groups, shall not be held liable personally, or collectively, under any circumstances, for injury, and/or damage to her/himself, for loss or injury to property, whether due to uncontrolled dogs or negligence of any member of said groups, or any other cause, or causes. The competitor also agrees to assume all financial liability that may be incurred by the NACSW™ due to the actions of themselves or their dogs regardless of the cause.

**Dog Policies****Dog Policies:**

- All dogs must be on a 6' leash at all times when not being tested. NO flexi-leashes while not participating in a competition search.

- Reactive and/or spatially challenged dogs should wear a red bandana (to be provided by the dog's handler) to help signal others that the dog needs extra space from other dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.
- Unentered dogs must remain in the competitor's vehicle during the trial day. There will be ample potty areas, but unentered dogs should not be allowed to "play", exercise, or train on the trial grounds..
- Competitors should expect to keep their dogs confined in a crate or vehicle when not competing. The logistics of a trial typically do not allow for dogs to hang out on leash in between searches. Competitors should plan to provide their own shade using canopies or shade cloths.

#### **Females in Season:**

Will be allowed to run wearing "pants" at the very end of the running orders after all other dogs have been judged. Females in season will be parked and pottied in areas separate from the other dogs while at the trial if the location logistics permit. Handlers must contact [dogevent@comcast](mailto:dogevent@comcast) or [judymcp@outlook.com](mailto:judymcp@outlook.com) so plans can be made for the dog.

### **Harry Award:**

The Harry award is given at the NW1 level to the most outstanding rescue dog that demonstrates extraordinary ability and spirit in nose work. The dog may have been adopted from a shelter, rescued from the street, fostered with a rescue organization, etc.

The five highest scoring rescue dogs will be considered for the Harry Award when available.

### **NACSW™ Scorebook:**

Remember to bring your NACSW™ Scorebook to the trial if you wish to have your trial results recorded for your own records in your score book. No unentered dogs are allowed at the trial. Spectators are reminded that the hide placements must not be discussed nor should they speak with any competitors about what they saw until after the trial is complete. Competitors are not allowed to watch the trial at anytime.

### **Video Taping and Photography:**

At this time, competitors may be allowed to take videos and photos of the search areas during the competitor walk through in order to help familiarize themselves with the search area. Due to site privacy issues or time constraints, competitors may not be allowed to photograph or video a search area during the walk through. At the host's discretion, a photographer and/or video service may be present during the trial to offer photos and/or videos for sale to the competitors.

As a condition of your entry, you agree to allow NACSW™, or their agents, to video you and your dog, during the entirety of the NACSW™ event. These videos are the property of NACSW™.
