The AKC Agility Course Test is an entry level agility event designed to introduce beginning dogs and / or handlers to the exciting sport of agility. Dogs must be 15-months of age or older, physically sound, meet the requirements for a regular AKC agility trial (Chapter 1, Section 3), and may not hold any AKC agility titles, other than an ACT title. Dogs do not need to be registered with AKC to enter, however to receive a title certificate, a non-registered qualifying dog must complete the registration process and will receive instructions on how to do so.

ACT Level 1 is open to all dogs that have not earned any AKC agility titles. The course will have 10-12 obstacles to be completed within a maximum of 60 seconds course time. Obstacles include: 5' A-Frame, table, open tunnels, and bar jumps. Tire and panel jumps may be included. There are no spread jumps (double, triple, or broad jump), teeter, dog walk nor weave poles.

ACT Level 2 is open to all dogs that have not earned an AKC agility title except an ACT1 title. Level 2 courses will have 11-13 obstacles to be completed within a maximum of 70 seconds course time. Obstacles include those from Level 1 plus a teeter, 6-weave poles, tire, and one spread jump (double, triple, or broad jump); the dog walk may also be included.

Earning an ACT Title for either level requires two Qualifying runs with a minimum score of 85. Refusals and run-outs are not judged. More than 3 attempts at an obstacle will result in an elimination (non-qualifying) score. The rest of the faults are the same as in the regular agility classes. All passing scores may be from the same judge.

Dogs may enter any Jump Height division: 4, 8, 12, 16, 20, and 24" at the handler's choice. It is recommended that you enter the height at which you train. An AKC jump height card is not required, and dogs will not be measured at the ACT event. **Dogs may enter both Level 1 and Level 2 in the same Event.**
