A Newsletter for Members

October 2018

To: OTCPCB Members

I believe that most of our membership know of me and my Greyhound “ Vera”. Vera is a retired racing Greyhound and came to me at 2 years old. I have worked for several Greyhound Rescue groups over the years and have adopted 14 hounds to date. Greyhound Pet Adoption, the group I currently support ,adopted 90 dogs in 2017 and is well on the way to topping that this year. We firmly believe that it is in the best interest of the dogs to keep them racing. A sudden halt to the sport will result in many thousands of dogs all retiring at once and a sure inability to place most of them. Dogs could be shipped to other countries and vulnerable to any number of abuses.

The majority of Greyhound Rescue groups and many Greyhound owners urge you to please vote NO on Amendment 13.

With Thanks , Mary Macchia

The American Kennel Club does not support proposed Florida Amendment 13.

Dog racing and rescue insiders dispute claims of improper care

Vote **NO** on Amendment 13

Tallahassee politicians are trying to trick voters by adding unnecessary, vague and misleading amendments to our ballot.

This language, which is not printed on your ballot, opens the door for lawsuits by radical groups against hunting, fishing and family farms in Florida.

One Florida circuit court judge even called Amendment 13 an “outright trickeration” while another labeled it “misleading, inaccurate and incomplete.”

Vote NO on Amendment 13 and save our Florida Constitution.

I thought long and hard about putting this information in Lead Lines. However, I think an informed voter is a good voter. There are those in the dog showing community that believe this proposition may ultimately put our dog showing events at risk of legislation against our sport.

Do your research and make an informed decision and vote!

We're headed back to New York City where our Museum first started. We are saddened to leave St. Louis, Missouri and our colleagues who lovingly grew and cared for the collection over the past 30 years. However, we're thrilled to take our extraordinary museum of canine-related artwork to mid-town Manhattan where it will be housed in the same building as AKC headquarters with access to their library, archives and collection. We're also busy reimagining the AKC Museum of the Dog and as things develop, we'll share them with you. We hope to see you in 2019.

Astro finished up his last two Scent Work Advanced titles in Buried & Exteriors at Deland's trial. He even got cool medallions for high scoring Advanced dog. Old Brewster beagle did great, too, and placed first in his two Novice Exterior runs. Scent Work is great for a retired tracking dog .

Jane Craig

Lucy (Sagehill Phi Beta Kappa) finished her UD at the OTCPCB trial Sept. 29 under judge Linda Ferrullo. That made is 3 consecutive trials, with the other two legs in June and nothing in between. Lucy came in second place.

I don't have a picture of Lucy and me and the judge, but there is a great group shot that Betty sent me with all 4 qualifiers. It was a big day with that many who qualified. I'll see if I can find the picture to send you.

Laura Rubin

Our Crested Rowan (CH EJM Let The Bodies Hit the Floor DJ DS NAJ CGC TKN FDC) is the #1 Chinese Crested in North America Diving Dogs and is going to the 2018 NADD National in Orlando. In three weekends he was the first Crested to jump in the Senior division (more than 9'), earn a Dock Senior title, and smashed the prior Chinese Crested record four times with a new breed record of 12'3".

Jupiter-Tequesta Sunday October 21. Patrick qualified in Open B but did not qualify in Utility so did not earn leg 7 towards his UDX Title. Yet we are undaunted and will continue until we are both 100 years old

Angel won a run-off for 3rd place in Utility A on Saturday 9/29 to achieve her 2nd leg of her UD title under judge Linda Ferrullo. Angel earned her 1st leg at our June trial.

She came back on Sunday & was the only qualifier in Utility A! It proves that "lightening can strike twice!"

She has achieved so much for such a very small dog! Jeff & I are very proud of her !

She has her VER, UD, RAE, TKA, MX, MXP, MBP, MJ, MJP, NF, OFP as well as the Achiever Dog titles.

Angel's dream has now come true! She is now what she loves to be best: A lap-dog!

On Saturday Sept. 29th at our clubhouse under judge Linda Ferrullo Fate made her Obedience debut at 13 month 2 days of age in Beg Nov B.

I thought she did REALLY well but was quite shocked when Ms. Ferrullo announced that not only did Fate get 1st place but she earned a 200!!! What a debut!

On Sunday she earned 2nd place as well as her 2nd leg with a 195.

The weekend of our September trials was certainly a weekend to remember for the Gansky clan!

This is the 1st time she was ever in a different facility.

She truly is an awesome little dog!

HOW VOLUNTEER HOURS WORK

In November 2017 the Board of Directors changed how the volunteer hours would be recorded. The change was made from calendar year (January – December) to a running calculation of a 12-month period. This would allow members who had accumulated at least 20 hours of time to immediately reap the benefits (class reduction fees, access card purchase). Also, all hours earned would be reported monthly in Lead Lines, not just the 20 hours required for discounts.

The importance of continuing to report your volunteer hours is shown below. Remember, your hours are now calculated on a 12-month basis.

EXAMPLE

DATE	HOURS VOLUNTEERS	TOTAL HOURS FOR 12 MONTHS
02/01/18	10	10
02/15/18	10	20
04/15/18	05	25
06/01/18	10	35
07/15/18	05	40
08/20/18	10	50
11/01/18	10	60
01/15/19	10	70

On February 28, 2019 your first 20 hours from 2018 expire.	<u>(20)</u>
You now have 50 hours in your volunteer account.	50

You again volunteer:		
03/15/19	05 hours	55 (total hours)

On March 31, 2019 there is no change in your volunteer hours as you did not volunteer in March of the prior year.

On April 30, 2019 the hours you earned in April 2018 now expired	<u>(05)</u>
<i>You now have 50 hours in your volunteer account</i>	50

On June 30, 2019 the hours you earned in June 2018 expired	<u>(10)</u>
<i>You now have 40 hours in your volunteer account</i>	40

You volunteer again:		
07/15/19	15 hours	55 (total hours)

On July 31, 2019 the hours you earned in July 2018 expired	<u>(05)</u>
	50 (total hours)

The calculations continue as shown above.

*Please note: Prior to January 1, 2018 total hours were only recorded to a total of 20 hours. Nothing beyond that was calculated. The Board of Directors determined that whatever hours were on the books as of December 31, 2017 would be carried through the 2018 calendar year. **Some of you may see a reduction of volunteer hours in the January 2019 report. This is because whatever hours you earned in the calendar year of 2017 expires on December 31, 2018.***

Volunteer hours for club events i.e., stewarding, set-up, etc. will be reported on the Volunteer Sign-in sheet and turned in by Volunteer coordinator for the event. Any other volunteer hours should be reported, with the task and hours, directly to otcvolunteerhours@gmail.com once the work has been completed or monthly, if the task is ongoing.

Keep reporting your hours. Check your balance monthly in Lead Lines. If you have any questions, contact Celeste at 561-628-1144 or cplattePSL@gmail.com.
