YEARS!

MEMBER STORIES

THE “OLDEN DAYS” MEMORIES OF OTCPBC PAST

Bobbie Blythe

My memories of the club go back to the late 60s when we were at the Armory. There are always those diehard members, then and now, who show up to do the work, to take club offices, to volunteer to put on the trials, who teach the classes. It's the same with any club, so don't think this one is any different! And the diehards come in cycles — we cycle in, are very active for as long as it lasts, then we “age out.”

Those of us who were hardcore in the Armory days came early to get the mats and jumps out of the storage room, set up rings for open and utility and get ready for beginners class outside.

Who do I remember from those days: Mary Jane Kelly (Shelties), Buzz Taylor (Bassets), Jesse Dickerson (GSP), Fran Smith Wayne and Vivian Smith, Vic Cobb (Weimaraners). Peggy DeMinico (with the precious lab, “Pearl”) came along within a few years of my joining the club.

We also had a group of people mostly focused on conformation, Ginger Edwards with German Shepherds, The Yergins, Marge Sheets with her Salukis and others my mind is not bringing forth. These folks eventually formed the Jupiter-Tequesta Dog Club and many people continued interest in both clubs, and in conformation and performance sports.

While several people took charge of “run-throughs” inside for Open and Utility dogs, a beginners class was held outside in a portion of the parking lot. After the beginners classes and run-throughs were over, the break-down began. We had to take down jumps, roll up mats and dolly them back to storage.

I started in one of Mary Jane's beginner classes with a large, unruly GSD named Akela. She was rough on me and said it was going to be very difficult to live with that dog unless I got him trained. I heeded her warning and went on to get a UD on him. In the process, I became engrossed in club activities, holding various offices and doing the Lead Lines for a stretch of years as well as teaching classes.

Over the years, I added titles on a couple of Weimaraners and a Schipperke. The crazy Schipperke “Bear” might be said to be my biggest accomplishment — A Champion and a UD.

This was way before the AKC added many of today's performance activities. We didn't have Rally or Agility, and the OTCH was still to come. So why keep showing after you got a UD? That was as high as you could get! In the days before the OTCH was instituted, we kept up our interest in showing by aiming for points on a system devised by Front &

Finish that ranked the various breeds and groups according to trial placements. We went to shows hoping to add points to our dog for “bragging rights” that we were first or second, or whatever, in our breed for the year.

These years were before border collie and Goldens became as dominant as they are today in obedience. They were around, too, but other breeds that were very popular in obedience then were GSD and Dobermans; Labs and Poodles were also popular contenders.

I can tell you that competition was very, very tight in Florida with the line up from the OTCPCB often consisting of a configuration consisting of Buzz Taylor, Mary Jane Kelley, Vic Cobb, and maybe someone else sneaking into the placements occasionally! Sometimes, two of the spots in Open and Utility would be held by BOTH of Buzz’s Bassets — Hoppy and Autumn. Buzz later added his top-winning Lab, Tar, to the mix. I always felt lucky to sneak in now and then for a placement.

Memories of OTC Tracking & Obedience

Fran Smith

I know when I joined the club we trained at the old Armory on Parker Avenue, then we moved to the Armory on Gun Club. That's where John Grogan took classes with his dog Marley (from the book/movie Marley and Me). Then after 9/11 we went to the Fair Grounds. We were adrift for a few years until we bought the club.

I found a tracking photo from the 80's with Marge Davis in it.

My first dog was a Collie.

I know I have some ring photos of us but I have to keep looking. That would have been in the 70's.

The really early years, the people I remember hearing about were Millie Buchholz and another Millie. The Arcentakles, George Jones and Bobbie Blythe.

Mary Jane and Virginia Edwards were some of my early instructors.

When we trained at the old Armory (which is now the Armory Art Center in WPB) we trained inside & the classes were outside. After the classes the students would stand in the doorway & watch us train. I stood up at a meeting, held at the old WPB library, and said how nice it would be if we went over & talked to the new people. Mary Jane Kelly wrote a whole article about me & Deja Vu. We've been friends since.

Another thing we still talk about is Peggy Dominico's lab Pearl. We would call for sits & downs, Pearl would get up from her nap & come get in line. Totally without Peggy. Pearl was special.

We could tell stories on Buzz forever.

Hard to have any pictures from our Box Cameras 😊

MEETING MINUTES

Board of Director's ZOOM Agenda

Monday, December 4, 2023 7:00 PM

Members Present: Betty Gansky, Steve Campbell, Fran Smith, Celeste Platte, Scott T. Adams, Sr. Tracey Guziejka. (Guests: Judy McPartland, Absent: Diana Johnson-Ford, Nancy Honchar, Barbara Bounds)

Reports:

NO REPORTS: President – Betty Gansky, Vice President – Steve Campbell, Rally Coordinator – Steve Campbell, Scent Work Coordinator – Judy McPartland, Webmaster – Judy McPartland, Agility – Barbara Bounds, Absent, Tracking – Diana Johnson Ford – Absent

Treasurer – Fran Smith: Our accountant, John Pierce, has announced his retirement. He is recommending that we stay with the present firm we are using. It was determined that the Board of Directors would meet with the new accountant regarding our status and the money that we have in the bank. Fran will coordinate setting up a zoom meeting.

Secretary – Celeste Platte: At this time there are approximately 26 outstanding membership renewals.

New Business:

AKC Trial Volunteer Incentives – Campbell: Steve presented an incentive program for those volunteers that have worked at least 60 hours at AKC Trials. See justification and requirements at the end of this document.

MOTION to approve monetary incentives for those members that have worked tirelessly as volunteers at AKC trials with an accumulation of at least 60 hours a year. 1st Fran Smith. 2nd Celeste Platte. Motion Approved.

Curb Concrete Posts - Guziejka: The concrete posts in front of the property were knocked down by the Ford Truck carriers. A police report has been filed and Tracey Guziejka will be having a meeting with the Ford dealership to try and get reimbursement for this action.

Shed for Scent Work equipment – Gansky: The amount of equipment needed for scent work classes and trials is quite extensive. The club is looking into purchasing a 12 x 16 size shed to accommodate all this equipment instead of having a lot of it stored at various instructors/judges' houses.

A few factors need to be explored before the purchase is made. A permit will be pulled from the City of Lake Park. It needs to be determined if there will still be enough required parking spaces once the shed is installed and two parking spaces are lost. Also, an explanation by the shed contractor exactly what constitutes "installation."

MOTION to purchase a shed in the size of 12 x 16. This purchase will be contingent upon the City of Lake Park allowing this installation based on the number of parking spaces and the ability to pull a permit for the installation. 1st Celeste Platte. 2nd Fran Smith. Motion passed.

There being no further business, the meeting was adjourned.

Respectfully submitted,
Celeste Platte, Secretary

AKC Trial Volunteer Incentive Program
OBEDIENCE TRAINING CLUB OF PALM BEACH COUNTY

OUR CLUB HAS MANY CLASSES AND EVENTS THAT COULD NOT BE POSSIBLE WITHOUT THE HELP OF VOLUNTEERS. WE HOLD OVER 40 AKC EVENTS YEARLY.

WE HAVE AN INCENTIVE PROGRAM IN PLACE THAT RECOGNIZES INSTRUCTORS AND ASSISTANTS WHO TEACH ON A REGULAR BASIS DURING THE YEAR.

WE DO NOT HAVE A SIMILAR PROGRAM FOR VOLUNTEERS. OF COURSE, WE HAVE A REDUCTION IN THE FEE FOR CLASSES FOR ANY PERSON THAT HAS 20 HOURS.

WE HAVE SEVERAL VOLUNTEERS THAT WORK THROUGHOUT THE YEAR, MANY AT MORE THAN ONE TYPE OF AKC EVENT, HELD AT THE CLUB OR AT ANOTHER FACILITY OR PLACE.

IT SEEMS APPROPRIATE THAT WE RECOGNIZE THOSE WHO WORK MANY HOURS THROUGHOUT THE YEAR. THESE MEMBERS SHOW A WILLINGNESS TO HELP US AND WE OFTEN RELY UPON THESE FEW MEMBERS IN ORDER TO HAVE SUCCESSFUL AKC TRIALS.

IT SEEMS AS THOUGH, EVEN AS WE GROW IN MEMBERSHIPS, THERE ARE ONLY CERTAIN INDIVIDUALS WHO GIVE THEIR TIME TO VOLUNTEERING AT OUR AKC EVENTS.

I AM RECOMMENDING THAT OUR CLUB, ON AN ANNUAL BASIS RECOGNIZE THESE FEW MEMBERS WITH A MONETARY REWARD DURING DECEMBER.

TO QUALIFY FOR THIS AWARD, A MEMBER MUST HAVE WORKED A MINIMUM OF SIXTY HOURS DURING THE CALENDAR YEAR AT AKC TRIALS AND SHOULD RECEIVE 100.00 FOR THEIR DEDICATION TO THE CLUB. THIS WOULD NOT INCLUDE SHOW SECRETARY'S AS THEY ARE COMPENSATED, NOR WOULD IT INCLUDE ANY BOARD MEMBER.

I HAVE A LIST OF ALL VOLUNTEER MEMBERS WHO HAVE WORKED AT AKC EVENTS DURING 2023. THERE ARE ONLY SIX PERSONS WHO WOULD QUALIFY.

IT IS OUR WAY OF SAYING THANK YOU TO THOSE WHO HAVE GIVEN SO MUCH OF THEIR TIME TO SUPPORT OTCBPC AT AKC EVENTS.

Steve Campbell, Vice-President

KUDOS + THANK YOU

NOVEMBER 2023 OTCPBC OBEDIENCE TRIAL

THANK YOU TO ALL THE VOLUNTEERS FOR OTCPBC'S NOVEMBER 2023 SCENT WORK TRIAL

The weekend of November 25-26th, 2023 The Obedience Training Club of Palm Beach County held its 12 th AKC Scent Work Trial. While all but two of our trials have been held at OTCPBC, this was the first time that the classes running in the Practice Field required that we limit the ability of competitors to view searches taking place in the Practice Field. Thus, a whole new level of work for our volunteers.

Our volunteers were up to the challenge of using the Practice Field to create a second set of search areas and moving many props into both rings. This allowed us to double the number of runs available and required us to increase volunteer roles accordingly.

Volunteers turned the building space and the Practice Field into search areas for twelve searches per day. Scott Adams managed the work of setting up the line of sight barrier to the Practice Field with the help of Jeff Porter, Angel Andrews, and Lauren Walsh.

Folks provided props. Folks unloaded vans with props and equipment Wednesday and Friday. Folks cleared the ring gates and obedience equipment from the building and put away jumps in the Practice field.

Setting up meant gathering props from the attic, shed, and crate room, putting furniture together, measuring and marking search areas in both the Practice Field

and the Building, placing props in the search areas and in staging areas. Ribbons were organized.

Early in the morning on the trial days, pop-up tents were set up and final outdoor equipment was put in place. Volunteers greeted visitors, helped folks park, checked folks in. Outdoors, volunteers helped competitors (crating in their cars) know when their turn was coming up for each of the two rings and were encouraging as teams got ready to do their searches. Inside both areas, timers, gate stewards, prop setters, and judge's stewards provided a calm atmosphere allowing competitors to focus on being a team doing a search. The score runner picked up completed score sheets and brought them to the trial Secretary. Qualifying ribbons were distributed as teams qualified, then followed by class placements as they were ready. And then we were done. At the end of a long two-day event, volunteers deconstructed our line of site barrier of tarps, poles, and zip-ties. Props were removed and disassembled, boxed, and loaded into vans, the shed, and the attic. Volunteers restored obedience equipment and ring gates to their home.

THANK YOU to everyone involved in making our AKC Scent Work Trial at the Obedience Training Club of Palm Beach County a success.

A special thank you to Alicja Zyzdryn, our Trial Secretary. This was Alicja's first trial as Secretary. It was also our first Scent Work trial that allowed both USPS mail and online entries and Alicja did an excellent job of integrating entries from these two paths. She powered through a respiratory bug and technical printing issues and had the sense to call Diana Johnson-Ford (Trial Secretary Trainer) when needed.

Thank you to each of our volunteers, most of whom wore many hats during the weekend.

Scott Adams, Angel Andrews, Jean Asaro, Karen Bath, Tricia Boychuk, Jane Craig, Peggy DeMinico, Lyne Doucet, Marie Forgach, Jeff Gansky, Janet Gomez, Leslie Granville-Smith, Mary Ann Hamzy, Marti Hohmann, Diana Johnson-Ford, Donna Kornmeyer, David McKennan (Chair), Bob Millar, Frances O'Sullivan, Jennifer Patti, Darlene Pfeiffer, Cindy Ponga, Cyndi and Jeff Porter, Mims Roberts, Luci and Ron Seeley, Chris and Linda Sedlacek, Lindsey Smith and David H, Bruce, Joshua, Georgia, Camille and Fran Smith, Lauren Walsh.

Thanks again to all who worked so hard to make this trial successful.

NOVEMBER 2023 OTCNBC Dog Excellent Test

We were pleasantly surprised that the fields weren't flooded after all the rain in the week before the test. But sadly, none of the four dogs passed the TDX test at St. Lucie yesterday. These dogs had trained so hard that it was a real heartbreaker, but TDX in Florida has a low pass rate (even lower than VST).

We did get to watch some very nice tracking and hope there will be better luck at the next test in the coming weeks.

Our thanks to the volunteers! It took 10! people to work this TDX test, with long hours of plotting on Saturday and early morning tracklayers & crosstracklayers on Sunday.

We must all love tracking to see so many dedicated people. We even had a driver with a broken kneecap who drove workers & exhibitors around the fields all weekend 😊 and no tracklayers met the wild hogs who live in the woods.

Tracking isn't just a sport---it's an adventure.

Jane Craig

Did You Know?

TDX Test requires a Tracklayer for each track, Crosstrack Layers for each track, drivers for judges and entrants after their tracks are run, flag carriers for plotting day, a Trial Chair and Test Secretary.

This is how the number of volunteers can easily double the number of entrants! Tracking Dog, Tracking Dog Urban and Variable Surface Tracking Dog tests all require a similar level of support to hold events.

A hardy group of volunteers met at OTC on December 27th and spent the morning cleaning out the shed(OMG so much lizard poop!), organizing, disposing of stuff and installing shelving.

Many thanks to Angel Andrews, Jane Craig, Mary Ann Hamzy, Judy McPartland, Chris Sedlack, Fran Smith and Ron Seeley!

The finished product!

I am so proud of my very first border collie.

Clementine completed her Excellent Interiors title at the OTCPCB Scent Trial held 11/25-26. A huge "Thank You" to Lauren Walsh for handling her in her 3rd leg of Excellent Interiors. She smoked it! Not only did she get first place, but Lauren's time along with my fast time in Excellent Exteriors earned Clementine High In Trial!!!

She also earned 2 legs in Excellent Exteriors. Since both Clementine & Jolene were in Excellent Interiors and the same handler cannot run 2 dogs at the same level, Lauren graciously offered to run Clementine with a fantastic result!

Jolene completed her Novice Exterior, Novice Scent Title and Advanced Interior titles. She also earned 2 legs in Advanced Exteriors and 1 leg in Excellent Interiors.

Angel Andrews

Aries participated in the Jolly & Joyful BarnHunt Trial between 12/8 - 12/10 hosted by Treasured Canine Academy in Palm City, FL. She earned her Senior title with 1st place and high in class and was able to advance to Masters.

Aries participated in her very first AKC Scent Work Trial

between 11/25 - 11/26 hosted by our very own Obedience Training Center. Searching for Birch in interior and exterior novice level. She qualified in all 4 legs for interior earning her a novice title (SIN) and placing 4th place in 3 of those legs! We also trialed in one exterior and she qualified with 3rd place! Thank you to Judy and Fran for being great judges and making this a fun first scent work trial!

Kai also participated in the Jolly & Joyful BarnHunt Trial between 12/8 - 12/10 hosted by Treasured Canine Academy in Palm City, FL. He earned his Novice title with 1st place with high in class in 2 of the legs and 3rd place for the last leg. He was able to advance to Open and had 1 qualifying run with 1st place and high in class.

I'm proud of all of their accomplishments and can't wait for the next adventures.

NN AC SI PTE Woodbine High Stepping Only Make Believe (Maggie) SWA SCE SHDN CGC TKN NW3 NW3-C NW3-V LIV LIE LII LIC SDN and I had a wonderful trial experience the weekend after Thanksgiving.

Maggie, who will be eleven in February, was the demo dog for the Interior Novice-Excellent classes I was judging in the AKC Scent Work Trials at the Obedience Training Club of Palm Beach County. Two days, two trials each day, a total of sixteen searches as a demo dog.

But the real brag is that Lynda Bowes handled Maggie in Advanced Exteriors. She qualified in four searches, earned a first, a second, and a third place, a title, and a bonus leg. And in-between she rested quietly in my van.

I am so proud of Maggie and so very grateful to Lynda. They made a great team. Thanks to Lindsey Smith for the photo!

After being out of the dog show world since 2006 I'm very proud to announce that I have officially gotten back into the game. Nova had a fourth place with her scentwork trials and achieved her first indoor scent work title. We also got our first ACT title with two first places. I'm very happy to be reconnecting with a lot of you and looking forward to seeing what we can all achieve together in the New Year!

Oh, did I also mention that we model for Chewy? BOLO for Nova's pictures in your emails and on the website!
