MEETING MINUTES

General Membership Meeting Minutes – Via Zoom Meeting

Monday, April 8, 2024, 7:00 PM

Board Members Present: Betty Gansky, Steve Campbell, Fran Smith, Scott T. Adams, Sr., Nancy Honchar, Tracey Guziejka. Celeste Platte: Absent

Call to order.

Approval of the minutes from the January 8, 2024 meeting as amended to include a full list of the honorary members. 1st: Scott Adams. 2nd Angel Andrews - Motion approved.

Reports:

President – Betty Gansky. Betty welcomed all the members present. The first time since COVID started. Wanted to remind everyone to volunteer. Training will be supplied.

Vice President – Steve Campbell. No Report

Treasurer – Fran Smith. Fran went over the financial statements handed out to the members present. The club's long time Certified Public Account (CPA) has retired. Prior to his retirement, he recommended a new firm which OTCPBC has contracted with.

Secretary – Celeste Platte. Absent

Obedience Coordinator – Nancy Honchar. Fit Dog has been added to the schedule.

Enjoyed by all. A seminar for frisbee throwing is in the process of being set up.

There will be a two- and half-hour seminar on May 19 (9am – 11:30 AM) on how to effectively and confidently steward at obedience trials. The speakers are judges Ron and Lucie Seeley. Trial Secretary trainees are still needed for obedience and rally trials. Contact Celeste Platte (561-628-1144) for more information.

Rally Coordinator – Steve Campbell – A trial secretary and trial chair are needed for the July rally trial. The rally trials are very successful and fill up quickly once the premium is posted.

Agility Coordinator – Barbara Bounds – Up-date Barbara Bounds has submitted her resignation as Agility Director due to health reasons.

Scent Coordinator – Judy McPartland – There are five scent classes ongoing. There are three on Tuesday and two on Saturday.

Tracking Coordinator – Diana Johnson Ford – NO REPORT

Webmaster – Judy McPartland – NO REPORT

New Business:

- A member requested that the poop bags be kept out in the dispenser all the time, not just at events. After some discussion, it was agreed to give it a try again. If the club experiences vandalism again, as it during COVID, the issue will be revisited. The combo to open the box is: 454. The key to open the dispenser is clearly marked & inside the metal box.

Maintenance:

- Shed for Scent Work - The City of Lake Park now requires all permit requests to be submitted online. The City rejected the permit due to insurance concerns by the city. Betty will call another shed company and see if they can pull a permit from

the City. Another option in place of the shed would be a shipping container. This container can be painted according to the owner's preference. They can have open doors or roll up doors. These containers can be designed to be anything the owner wants. These containers are more secure than sheds.

- Roof Maintenance- The roof will be inspected this April, as it is every year. This will not disrupt the classes.
- Nozzle Nolan will be inspecting the sheds for termites. The membership will be notified if treatment is planned.
- There is a florescent light out in the back room. However, since florescent lights are very hard to come by these days, the unit will be replaced with an LED light.

- Chairs and crates in the crate room – Gansky. Everyone should have received an email to remove all personal chairs and crates by the end of June. The instructors can leave their equipment if they are continuously teaching.
- Red Ants. A treatment was done in the front yard and the practice field
- Insurance Cover for building – Guziejka. Hurricane preparation plans: The awning is removed. Tommy (out lawn maintenance) places sandbags around the doors. The bags are kept in the shed.
- The roof was inspected. Just a few screws were needed. After hurricane season, the crew will return to discuss more about the roof.
- Diana – All the large agility equipment is put in the shed. There is nothing that would be in the field for most of the hurricane season. The Agility Coordinator should be called if equipment needs to be moved. There are specific ways each piece needs to be disassembled.
- Insurance on the building: The club has General Liability/personal injury, and theft/crime coverage. The club does not carry wind insurance as it is cost prohibitive.
- Club Air Conditioners – Two of the four air conditioners have been replaced over the last two years. They receive regular maintenance.

- Termites Tracey – The Club has canceled its contract with Nozzle Nolen due to inconsistent scheduling. A contract has been signed with Southeast Florida Pest Control (Southeast). Southeast inspected the building and found remnants of termites on the south side of the building. The problem has been caught early. Local treatment is all that is needed. When scheduled, the membership will be notified of the building closure during treatment.

KUDOS + THANK YOUS

March 2024 Show and Go

I wanted to thank everyone for helping with the Show n Go. My first experience with the inner workings was a lot of fun. It puts a different perspective on the event when you see it from beginning to end. The reference Nancy produced was very helpful. It has a timeline and tasks to be done. I referred to it many times. I would suggest adding post event instructions like how to handle the volunteer sign in sheet and maybe follow up email.

Nancy thank you for your patience responding to so many emails. It is always a pleasure to interact with you. Your ease and grace are contagious. Let me know the next time I can help with this.

Thank you Karen for taking on the ring. When our veteran chief ring steward had to withdraw due to an emergency, you reached out and volunteered, and it was very helpful.

Diane, you were proactive with coordinating the judge runs. When we had an emergency, you had it covered in minutes, thanks to Bob's almost immediate response, something like 'anything anytime'. The problem was solved before I finished typing an email.

David thankfully healed in time to make a smooth transition for the judges to have time and space to connect with their dogs and get effective training done.

June took care of novice and should get extra credit for being her own steward. You made yourself available throughout the day, ready to help, repeating 'I am here if you need me'.

Thank you Jeff for stepping in to time the sits and downs so all the trainers could take advantage of the opportunity to train with so many other dogs in the ring. And thank you Betty for working when you were supposed to be playing and dealing with the last minute entry fees.

Thank you everyone for everything!
Jim Pirko

Cindy Ponga & I would like to thank all of those who helped set-up, tear-down & clean-up at the GM meeting Monday night.

A big hand to Cindy Ponga who organized the event. Cindy you did a TERRIFIC job as usual!

To my husband Jeff who cooked all of the burgers & hot dogs & Mike Gosnell who assisted.

All those involved in set-up/tear-down & clean-up: Rose Seibeneck, Lodge Weber, Storey Wenger, Donna Kornmeyer, Libby Vasiliou, Lane Carlee, Leslie Granville-Smith, Karen Bath, Char Czermann & Karen Jones.

Last but not least a big "thank you" to Kelly McDonough & Lucy Carr for the donation of the "Hebrew National Franks" for the meeting. They were unable to attend but dropped them off before the meeting on Monday night.

This was the 1st in-person meeting we've had since January of 2020.

It was nice to see everyone again. It's been such a long time.

***Betty Gansky

May 2024 Agility Trial

Thanks to all who helped make our Agility trials at Bratty Paws a success this past weekend! A VERY SPECIAL THANKS TO THOSE LISTED BELOW:

Oksana Syrkin: our Judge who as always did an outstanding job

Victoria MacVicar- Assistant Trial Chair - for being my right-hand-woman -what an asset you are

Lori Patterson - Trial Secretary - Who did her usual terrific job

Peter Liu & Barb Bodnar - Chief Course Builders -they kept things running smoothly all weekend

Carol Perrella - Volunteer Coordinator - You once again out-did yourself all weekend

Jeff Gansky - my husband who worked almost non-stop thru the entire trial

Susan Minix- who loaded all of the boxes of ribbons, bars, etc. at the OTC & brought it all over to Bratty Paws. The good news is that we are leaving everything at Bratty Paws until the end of our August trials.

Another BIG Thanks to the members of Treasure Coast who were always helping out.

A big "thank you" to Victoria MacVicar & Carol Perella who helped me set-up all of the ribbons on Thursday evening.

Another "big thanks" to all who stepped up-to-the plate to keep the trials running smoothly. I ALWAYS appreciate your help!

If I missed anyone it was because I'm still in a "brain-fog" it wasn't done intentionally!

As I've said in the past "it takes a village" & once again a village "stepped-up"! I couldn't have done it without all of you!

Betty

BRAGS

Fate did REALLY well at the Jupiter/Tequesta Obedience trials held 3/16-3/17/24. She earned her 24th UDX leg on Saturday as well as High Combined & her OM3 title with scores of 196 1/2 in Open B & 193 1/2 in Utility B.

On Sunday she won High in Trial after a run-off with a Sheltie with another score of 196 1/2 in Open B.

Fate is my "performance dog of a lifetime" as well as my beloved companion & friend!

She also earned an invite for the 3rd year straight to the NOI (National Obedience Championship) in Ohio. - Betty & Fate

Aura celebrated her first birthday on April 21st. It's hard to believe I've had her for almost 9 months.

She's a VERY active girl! It amazed me I could get her to sit with a bow in her hair for a quick photo!

Happy Birthday "Little Girl"! I hope we have many more years together!

Betty

We went to Bratty Paws last weekend (May 3rd-5th) where I was Trial Chair of OTC's 3 day Agility trials.

Fate OUT-DID herself by earning a Triple Q on both Friday & Saturday. On Saturday she earned her XFP (Excellent Fast Preferred title as well! On Sunday she took 1st place in T2B. By that time I don't know who was more worn-out Fate or me! She went off-course in Standard & went over-time for the 1st time ever (but clean) in Jumper's on Sunday.

The most amazing thing is she has not had an Agility class since April '23!

She truly is my "dog of a lifetime" & I'm enjoying every minute I have with her!

Betty & Fate aka Silktree's Destiny's Child, BN, UDX2, OM3, RAE, XFP, MJP2, MXP

Fate (the Yorkie wonder dog) earned two more double Q's at OTC's Agility trials at "Bratty Paws" in Punta Gorda the weekend of June 14th-16th bringing her total of double Q's up to 12. It's hard to believe that Fate has not had an Agility lesson since April '23!

Fate was the cover-girl on photographer Rich Knecht's Facebook in this photo where she is riding down the teeter during T2B on Friday 6/14.

Betty & Fate UDX2, OM3, RAE, XFP, MJP2, MXP, T2BP

Sandy & Kevin earned their PACH & PAX title at our Agility trial at Bratty Paws on Friday 5/3.

It was EXTRA special since Sandy & Joe are moving to South Carolina on May 27th. Sandy was a member/ instructor for Rally as well as other classes at OTC. Her great husband Joe always pitched in and helped whenever he could.

We will miss both of you as well as your "kids"! Best wishes to all of you!

Please keep in touch!

-Betty

Congratulations to Monte on earning the Rally Advanced Title at OTCBPC!

He performed so well, especially after not trialing in Rally for over a year.

Scott Adams' classes must have been incredibly helpful. 🐕 🏆

-Brian DeCarlo

Gunner beagle earned his Rally Novice title at OTC's May trial, with two 1st and a 2nd place.

Our thanks to Scott and his Rally classes!

I am incredibly proud of him and looking forward to the Elite Division next season

In May, Aries and I attempted the virtual NACSW skills challenges at a level 3.

They consisted of containers with distractors, suspended hide, sourcing table hide and multiple hide search on natural surfaces.

After thoughtfully setting up each scenario, recording and submitting them for review, we earned the NSAM title! So proud of all her progress in this sport!

IN MEMORY

Ray Hookey

Our beloved member Ray Hookey passed away on Thursday, May 16, 2024

I cannot even begin to tell you what an asset he was to OTC. When we purchased the building in the winter of '12 it was a great site but not suitable for us to use as a training facility. The entire back of the building from where the closet for the electrical equipment is located out to the back of the building was a warehouse. From there forward there were cubicles from there to the entry of where we now have our crate room. The small kitchen that the previous business had in place was where we have our crate room.

Ray stepped-up-to the plate & began working with Shawn Smith (no longer a member) & my husband Jeff. The pictures I've included were taken by Liese, Ray's wife in June & July of '12.

Unfortunately there are no pictures taken with Shawn in them. Shawn was working as a fireman & came whenever he could. He too did a tremendous amount of time volunteering on his days off.

Ray moved the kitchen from the crate room & placed it where it is now located. It's not the same kitchen. OTC renovated the kitchen to what it is today years later.

The team also had to ready the floors inside as well as work on the parking lot.

I just had to share what a "Godsend" Ray was to OTC. None of the three received any monetary compensation. We paid cash for the building thanks to Buzz Taylor but there was not a lot left over to do what needed to be done to make the building usable.

The trio volunteered endless hours/months even through the heat of the summer without A/C to achieve this goal.

Rest in peace dear Ray. OTC could not be what it is today without your generosity, knowledge & very hard work!

Betty
