DOGS ELIGIBLE TO ENTER

Dogs who are at least 1 year of age are eligible to take the ATT and must either be AKC or FSS registered or listed with Canine Partners or have a Purebred Alternative Listing number.

WAIT LIST

OTCPBC is offering a wait list to fill openings created by withdrawn entries after the trial's closing date/time. No entries may be withdrawn with a refund after closing date/time unless a withdrawn entry is replaced by a wait listed entry. Any wait-listed entry that does not move off the wait list into the trial will receive full refund.

CRATING

The parking lot affords adequate space for dogs and handlers to wait quietly for their turn to test. Participants will be expected to crate at their vehicles.

Because the test will require the use of the entirety of the building to perform the test, the building rest rooms will be available only before the first test, during the short break between Test 1 and Test 2 and at the end of the Test event.

CHECK IN AND HANDLER BRIEFING

Access to the site will be available at 9:00 am
Check-in will be available starting at 9:15 am.
The briefing for Test 1 will start promptly at 9:30 am.

Information for Handlers about the Tests

Handlers should be familiar with the temperament descriptions of their dog's breed standard. Please also read AKC's suggestions for the modification of temperament prior to testing.

Dogs must pass two temperament tests under two different evaluators to receive the title. AKC requires variations when tests are offered back to back, so please anticipate minor changes between tests.

Some test items may be retried only once; please familiarize yourself with these stipulations ahead of time.

- Please consult the Trial Committee if you require assistance.
- **No flexi-leashes.**
- Please utilize pea gravel for pet elimination and avoid soiling on the lawns and shrubberies of the neighborhood.
- **TURN OFF CELL PHONES WHILE IN THE BUILDING.**

OTCPBC GENERAL REGULATIONS

- No food will be provided by OTCPBC.
- All dogs moving through the premises must be on 6' leash and shorter when necessary to avoid dog to dog contact.
