## Fit Club News

OTCPBC's Fit Club is organizing an AKC Spring Scurry Fit Walk, in conjunction with the Palm Beach County's Heart and Paw Celebration, at John Prince Park, on May 17, 2025.

This non-competitive 1 mile- 5k Spring Scurry can be a walk or run activity, where participants go at their own pace. You can do the whole 3.1 miles in one jaunt or split it up into several installments. This walk will count as points towards an AKC Fit Dog Title. Grab your pups and meet us at John Prince Park. Check in begins at 7:30 and the walk starts at 8:00 am.

If you register in advance, with AKC to participate in the Spring Scurry, you (or your pup) will receive a medal to wear and show off! To register with AKC to receive your medal go to <https://shop.akc.org/products/proshop-fit-dog-spring-scurry-medallion>. Palm Beach County will have many activities following the walk including pet adoptions, fire and rescue, childrens' rock garden, kite making, chess club and lunch will be served.
